Antenna Model (from 2010 device):	SMA Male External

Marketing References to Sprint Regarding Compatibility: Provided you comply with the instructions listed below, you may use the Sprint name **referentially** (but not the Sprint Logo or other Sprint trademark) to inform consumers that your product has been tested by Sprint and found to be capable of use on a Sprint network. No other use of the Sprint name is permitted.

Referential Use of the Sprint Name

- a. Your product is capable of use on a Sprint network;
- b. The name is not used in a manner that implies that it is part of your product name;
- c. The name is used in a referential phrase in a manner that is meant to inform consumers;
- d. Your product name must appear more prominently than the Sprint name;
- e. The reference does not create a source of endorsement, sponsorship or false association with Sprint as a company or Sprint's products or services;
- f. The use does not show Sprint in a false or derogatory light;
- g. You do not use the Sprint name in any claims you make that are related to your product;
- h. You do not make any claims related to the Sprint network or performance of the network
- i. You do not make any comparisons of the Sprint network and the networks of Sprint competitors;
- j. If you provide a link to Sprint's homepage, the link must be made up of alphabetical letters and must always be active.

Examples

Acceptable: “This product has been tested by Sprint and found to be capable for use on a Sprint network. Visit Sprint at www.sprint.com”
 “This device may be activated on a Sprint network” Visit Sprint at www.sprint.com

Unacceptable: “This device runs on Sprint, the best and fastest network”
 “Sprint tested this product and said it is superior to all others.”
 “Sprint’s network transmission speeds are faster than anyone else’s

Sprint reserves the right to take action against any use that does not conform to these instructions, infringes Sprint intellectual property or other right, or violates other applicable law.

Should you have any questions or comments concerning the approval or the marketing instructions, please do not hesitate to contact me directly at (913) 226-3033.

Sincerely,
